“Working Together To Keep You Coming Back”

There's a reason why many of the world's leading carmakers fill with Petro-Canada's top performing motor oils and automatic transmission fluids: they help keep your car running like new. Based on advanced formulas, our motor oils and ATFs deliver superior performance in all driving conditions. What's more, our motor oils can help you gain up to 15% better fuel economy, when compared to previous ILSAC GF-5 standards, saving you money. Petro-Canada can continue to protect your car, just like we did when it left the showroom. Our motor oils result in enhanced fuel economy to help your car go further, outstanding low temperature fluidity for easier engine starts, less oil to top up between oil changes to help the environment, and improved protection of the exhaust emission control systems.

Automatic Transmission Fluids

Petro-Canada's ATFs:

- Meet the latest performance credentials of the major carmakers
- Deliver superior wear protection to extend the life of the transmission
- Provide enhanced friction properties to maintain excellent gear shift quality
- Offer superior cold weather performance
- Deliver the same fluid performance as the carmakers put into each vehicle at the factory

DURADRIVE is our best multi-vehicle ATF fluid, and is suitable for use in a wide range of North American, European, and Asian vehicles. **DEXRON –VI** is General Motors' latest generation of ATF, and **ATF+4** offers optimized shift efficiency, improved oxidation and shear stability for use in DaimlerChrysler automatic transmissions.

Motor Oils

Petro-Canada's motor oils:

- Exceed all major carmakers' performance requirements
- Exceed the latest North American Gasoline Industry Standards
- Offer superior engine protection for cleaner running engines in all driving conditions
- Deliver better, smoother engine starts, year round

SUPREME SYNTHETIC is our best, most advanced formula for the ultimate in engine protection, and is formulated to stay-in-grade longer than conventional motor oils. Supreme Synthetic 5W30 is approved for GM Dexos 1.

SUPREME our premium motor oil, has extra detergency to help keep your engine cleaner. It is designed to deliver outstanding engine protection year-round.
